

## Approach by car:

If you are using a navigation system that does not recognize Königsallee 2a, please enter 'Berliner Allee 12' as the address when approaching the Kö-Bogen from the south or 'Hofgartenstraße' when coming from the north.

The entrance to the public underground car park of the Kö-Bogen is located in a tunnel, which will be right in front of you just before you reach your destination. Please enter the tunnel and take the exit "P Kö-Bogen/Breuninger" on the right hand side.

On the **parking level**, please keep straight on, until you see the signposted stairwell. Then, please proceed directly to the stairwell signposted 'Simmons & Simmons', where you will have access to the only elevators taking you up to our Simmons & Simmons offices on the fourth floor.
