

Complex  
regulation,  
made easy

Simmons & Simmons navigator is our sector-leading online subscription service, covering key areas of financial services and tax regulation. Since 2007, we've built a reputation as a globally trusted regulatory resource with content spanning 110 jurisdictions.

### How navigator can help you

Are you looking for opportunities in new jurisdictions but are unsure about the risks?

navigator contains an unmatched breadth of content across eight services. We work with our tried and tested expert legal counsel in over 110 jurisdictions, whose content is then critically analysed by our dedicated team of navigator lawyers.

Would you like to limit your legal spend without compromising on quality or coverage?

navigator is incredibly cost-effective. The cost of accessing navigator is a small fraction of the costs involved in commissioning large scale cross-border surveys. Subscriptions to services are taken on a group-wide basis, with no limits as to the number of individual users that an organisation can have.

Do you need to know the law but want it in a language that the business can understand?

All the information within navigator follows a user friendly, consistent and digestible format that meets the needs of different users within an organisation and allows for ease of comparison on the same point in different jurisdictions.

Are you finding it challenging to keep up to date with the pace of regulatory change?

Hosted on our award winning elexica platform, navigator is available 24/7, with content updated on at least a quarterly basis. In addition our dedicated team of navigator lawyers track forthcoming changes across the globe and proactively flag the key issues that concern your business.
